From The Desk of Dr. Steve G. Jones
Certified Life Coach
Las Vegas, NV

Dear Future Life Coach,

One of my best selling programs is called the Certified Life Coach that people go absolutely nuts over. It's a comprehensive program with 30 videos and a 100 page digital book loaded with some really killer techniques that teach you how to become a money-making life coach from the comfort of your own home. These techniques are based on my own 28 years of experience with coaching people.

Some even say it's the "**greatest course they have ever taken.**"

That's pretty amazing!

Either way the reason for this letter is really simple.

While I have certified **OVER 10,000** people to become life coaches, I noticed that your name wasn't on the list of people who purchased the program.

No biggie.

I get it.

Maybe you didn't have the money at the time I offered it. It's happened to the best of us.

Well Here's Your Chance To Take Advantage Of An Exclusive Opportunity That Probably Won't Come Around Again

I'm now in the process of creating a "focus group" of people where I basically give a small group of people the program for a HUGE discount. We're talking a 98% discount.

To sum that up...

The list price of the program is \$675. That's the price the general public pays for it. During the rare occasion I offer this to my subscribers at a discount...

((They go crazy for it.))

There's just one catch.

All I ask is that you take the 2 months to dive into the material - which includes all the video 30 instructional training videos, a digital book - and begin putting it to use in your life.

Then send me a short description of your favorite coaching technique you used and how it worked. Two sentences max.

The goal for you should be really simple. Use this course + the techniques I'll teach you in the course to become a money-making life coach from home while helping others change their life at the same time. It doesn't get any better than that!

It doesn't matter if you have no previous coaching experience.

Once you complete this course, you'll be ready to coach others. Just use the techniques that you learn in the program to do so.

That's it.

Pretty simple and straight to the point.

If you want in, you must use this special invitation link (only limited spots are available)
